Address: Gauteng, Bronkhorstspuit | **Contact:** 079 406 5577 | **Email:** sibanded1030@gmail.com

PROFESSIONAL SUMMARY

I am a motivated Software Developer holding a Diploma in Information Technology (Software Development), with two years of hands-on experience developing web-based applications, databases, and software solutions. I have a strong understanding of Object-Oriented Programming principles and experience working with HTML, CSS, JavaScript, PHP, and MySQL in Agile development environments. I am passionate about learning new technologies, including Java and cloud platforms, and enjoy building reliable, scalable, and user-friendly software solutions while contributing effectively within collaborative development teams.

PROFESSIONAL EXPERIENCE

Software Developer Intern

Investhood IT (Pty) Ltd | Jan 2024 – Dec 2025

- Developed and maintained web-based applications using HTML, CSS, JavaScript, PHP, and MySQL, delivering new features and enhancements based on business and user requirements.
- Wrote, tested, debugged, and maintained application code to ensure software quality, functionality, and performance across development and production environments.
- Diagnosed and resolved application bugs, implemented fixes, and provided ongoing application support to improve system reliability and reduce recurring issues.
- Designed, developed, and managed MySQL databases, creating SQL queries and ensuring efficient integration between back-end databases and front-end applications.
- Collaborated with developers, project managers, and stakeholders throughout the Software Development Life Cycle (SDLC) to deliver projects on time.
- Used Git for version control, code management, and team collaboration during software development.
- Assisted with project-related tasks and collaborate with team members to support successful project delivery.

EDUCATION

Diploma in Information Technology (Software Development)

Tshwane University of Technology | 2024

National Senior Certificate (Grade 12)

Mpumelelo Secondary School | 2016

SOFT SKILLS

- Effective Communication
- Problem-Solving
- Analytical Thinking
- Eagerness to Learn
- Attention to Detail
- Team Collaboration

- Adaptability & Flexibility

TECHNICAL SKILLS

- Computer Literacy (Microsoft Office Suite)
- C++
- PHP
- JavaScript
- SQL & MySQL
- Git & GitHub
- Object-Oriented Programming Principles
- Software Development Life Cycle (SDLC)
- Windows & Linux Operating Systems
- IT Support & Troubleshooting

LANGUAGES

- English
- IsiZulu
